### Overview

This bill creates a special permit to allow certain multi-unit vehicle combinations to exceed the regular vehicle weight limits.

#### Section

**1 [169.868] Quarry vehicle permits.** Establishes new motor vehicle special permits.

**Subd. 1. Special three-unit vehicle permit.** Authorizes a special permit for three-unit vehicle combinations to have a gross vehicle weight of up to 108,000 pounds for operation on specific segments of the trunk highway system.

**Subd. 2. Special two-unit vehicle permit.** Authorizes a special permit for two-unit vehicle combinations to have various maximum gross vehicle weights (depending number of axles and whether the winter weight increase is in effect) for operation on specific segments of the trunk highway system.

**Subd. 3. Restrictions.** Sets restrictions on vehicle operation under the permits being authorized in this section, including no operation on interstate highways and local approval for operation on local roads except for some access to facilities near the route.

**Subd. 4. Permit fee; appropriation.** Sets annual fees for permits being authorized.
